Interior Improvements Central & East Halls – Normandy High School

Request for Qualifications - General Contractor

Normandy Schools Collaborative (NSC) is conducting a prequalification process for General Contractors seeking to participate in competitive bidding to construct Prop. V funded projects. NSC will be accepting qualifications from General Contractors interested in participating in bidding the future improvements at Central and East Halls on the Normandy High School campus. The entire Request for Qualifications (RFQ) package will be made available on Monday, October 25, 2021 by contacting KAI via email at khuntington@kai-db.com. This Prop. V funded project has an estimated construction value of approximately \$11M. Construction shall be phased over 10 months starting in January 2022. The project will include Business and Work-Force Diversity Goals. For additional details about this RFQ, or to schedule an information session, please contact KAI via email at khuntington@kai-db.com.
