

NSC Educators, Administrators and Staff,

The Normandy Police Department's School Resource Officers Team and the Normandy Schools Collaborative Safety and Security Team have paired up to present the "**Normandy Strong Student Citizen Award**" to our scholars.

Throughout the school year, we will present The "**Normandy Strong Student Citizen Award**" to one (1) scholar from each of the seven NSC campuses who exemplifies qualities of the Normandy Five Pillars: Accountability, Collaboration, Professionalism, Trust, and Respect. The students can be recognized by any member of the NSC staff and nominations must be submitted to me by the last day of each month, beginning March 2019. The Normandy SROs will select one entry, from each campus, and the selected scholar from each campus will receive a certificate and other prizes at the following NSC Board Meeting.

The scholars could be recognized for any reason, but an explanation or description of the event must be included in the nominations.

Examples of recognized behavior may include:

- The scholar intervened in a bullying situation
- The scholar went above and beyond their daily expectations
- The scholar, without being asked or directed, was seen helping another student who was struggling
- The scholar volunteers his/her free time and is a support to the learning environment

Thank you for your assistance in this endeavor and I look forward to reading your nominations in the near future.

Respectfully,

P.O. Jim Ervin, DSN 300
School Resource Officer
