

Transition Program Overview

RECEIVING DISTRICT: Francis Howell School District

A student will be qualified to participate in the Transition Plan if he/she was enrolled in and attended the Receiving District / Charter School during the first semester of the 2017-18 school year. To be qualified, the student must continue to reside within the boundaries of NSC and provide proof of such residency each year the student participates in this Transition Plan. The student's current grade level will determine the number of years he/she may participate in the Transition Plan.

Bus transportation between Normandy and FHSD will continue only through the end of the 2017-18 school year. Bus Transportation will not be provided in future years. If a student chooses to continue enrollment in FHSD, it will become the parent's responsibility to provide transportation to/from school.
