Chromebook Steps	Screenshots
<p>Step 1:</p> <ul style="list-style-type: none">-Power on your Chromebook-If someone else has previously signed in to the Chromebook and has not signed out, click the click in the bottom right corner and then click “Sign out”-When you reach the login screen, DO NOT CLICK “Browse as Guest.”-Enter your Google username (your student ID number)-No need to enter “@normandysc.org” as that is already completed on the screen-Click “Next” or tap the “Enter” key	
<p>Step 2:</p> <ul style="list-style-type: none">-Enter your Google password (provided by your teacher)-Click “Next” or tap the “Enter” key <p><i>Signing in to the Chromebook with your student Google account provides automatic access to all Google and Clever Portal resources without having to retype a username or password as long as you are signed in.</i></p>	
<p>Step 3:</p> <p>After logging in, a Google Chrome browser window will open automatically. You may see a few different tabs at the top of the browser window.</p>	

Browser Tab Details:

-The tab that opens to the **Normandy Schools Collaborative website** gives students easy access to the “**Clever Portal**” link for single sign-on to commonly used digital learning resources, Gmail, and Google Classroom.

-The tab that shows “**Future Ready**” may appear - this page provides resources for NHS students from the **Department of Career and College Readiness** - also accessible at bit.ly/normandyccr
